[redacted] Miniature Gas Generator

STAT

REF : Contracting Officer's letter to [redacted] dated 31 March 1950 STAT

1. Before specifications are prepared leading to a contract with [redacted] for final development of their miniature gasoline driven generator, it is suggested that their laboratory model be brought to Washington by a member of the firm qualified to discuss its technical aspects for study by our engineers. Such a possibility was discussed with Mr. C. Wasmansdorff of that company in a recent telephone conversation.
